

Zipline Guide

Applicants must be willing to work in all weather and be in good athletic shape. No prior experience is necessary (although it is an asset) as we do all of our training on site.

Training will begin in May and June, depending on individual start dates. Full time work is guaranteed from July until September long weekend. Part time work is offered in the shoulder season (May, June, September, October).

Essential Duties:

- Fit gear to guests, facilitate training course, engage with guests throughout the tour
- Perform up to 4 tours per day
- Provide interpretative information to guests during tours
- Perform daily and gear and course inspections
- Attend weekly training sessions
- Perform daily site management (trails and parking lot) and basic cleaning duties

Qualifications:

- No prior zipline or ropes course experience necessary (although it is an asset)
- Priority given to those with up to date First Aid certifications
