

# Zipline Guide

Part Time & Full Time Available

At ValleyZip we treat our team members as the driving force of this organization. We offer a fun and enjoyable outdoor environment for you to build strong skills in the aerial park industry. With competitive wages and a ton of staff perks, you'll create memories for a lifetime.

## Job Brief

Zipline Guides are responsible for facilitating our 7-Zipline Course. You will guide multiple groups a day and give them a top-of-the-line experience to create memories of a lifetime. Candidates must be hardworking and in good physical shape. Training will begin between April & June, depending on individual start dates. Full-Time Hours are guaranteed from Late June until Early September.

## Responsibilities

- Fit gear to guests, facilitate training course, supervise guests throughout tours
- Facilitate up to 3 zipline tours a day. Assist Adventure Zone when needed
- Provide interpretive information to guests during tours
- Perform daily gear and course inspections
- Assist with site management (trails & parking lot) and basic cleaning duties
- Attend weekly training sessions

## Requirements

- No Prior Zipline or Ropes Course experience necessary, but it is an asset
- Comfortable moving around at height in suspension, moderate heavy lifting, climbing ladders and stairs, reaching, pulling, and stretching
- First Aid Training is not required, but it is an asset
- Strong leadership, communication, and problem solving skills. Able to foster teamwork and work well in high pressure situations.
